POLICIES & PROCEDURES

In order to better serve your group or organization, our inventory is purchased in advance to enable fulfillment of your order immediately, shipping within 24 hours, (normally the same day as your order is placed), reducing your shipping and turn-around time to parents. Therefore, it is essential to our operations that all invoices are paid promptly, and the following policies and procedures established.

ACH PAYMENT INFORMATION (REQUIRED)

- The recommended method of payment is ACH or electronic fund transfer. ACH (Automated Clearing House) is a nationwide network of banks, businesses, and account holders. Authorization of ACH payment ensures prompt shipment of your order.
- The amount debited from your account will be the total of the invoice(s) for the purchase made.
- ACH payments will be processed within one business day, and deducted from your account within two business days.
- Payment will not be processed for any certificates that are backordered.

We strongly recommend and encourage all groups to consider this option. It saves you the hassle of processing checks and assures that orders will always ship promptly.

We will gladly provide references from groups who use this system.

PAYMENT BY CHECK (Available only with authorized permission)

- An invoice will be emailed to you when the order is placed in our system. Fax a copy of the written check to 864.886.9704 and we will release your order.
- Please mail your check immediately. Payment should be received within 3 days of order placement.
- **Tardy or late payments may result in suspension of this payment option.**
- Your payment should include your group name and the invoice number(s) to which the check is to be applied.

GENERAL INFORMATION

- All invoices are to be paid in full. Any credit for returned or exchanged certificates will be made to your account in the form of a credit memo.
- No new orders will be processed if your account has an outstanding invoice more than ten days old.

RETURN POLICY

We will accept returns if:

- The certificates are returned within 3 months of purchase.
- You have spoken with a representative of UnitedScrip, filled out the return form, have received approval and mailing instructions from UnitedScrip.
- The gift card/certificates are not signed, marked on, damaged, or folded.
- The gift card/certificates have not expired.
- We will not accept returns of special order gift/cards or certificates without verifying that UnitedScrip will accept the return.

GROUP PROFIT DISBURSEMENT

Profits generated from orders paid by Credit Card or the ScripPay (ACH) will be applied to Group Invoices or sent directly to the organization on an agreed upon schedule. More information in detail is available in the Administrator Manual or by calling our offices.

Equipping Nonprofit Organization with Exciting Options to Grow and Expand their Fundraising Programs

UnitedScrip welcomes you to our free online ScripHome for your organization. ScripZone combines the record-keeping expertise and processing of UnitedScrip's Software with our secure web application for ordering Scrip, 24/7, day or night, from the convenience of your organization or home.

ScripZone expands the ability of UnitedScrip's fundraising program to help your organization reach and expand its fundraising goals. By giving members, family and friends access to a proven method of raising funds without the hassle of door-to-door sales and the freedom to order when it is convenient for them. Family and friends from across the states can support individuals or organizations without the delay or mailing letters or requests.

ScripZone makes processing easier for the coordinator. No paper orders forms to print and send home. Now you can allow your participants to order online, send payment to the school or organization or use one of the alternative payment methods listed below. You still control the deadlines or due dates, compile your orders, have orders shipped to your organization and group payment method. From our Administration level, individual orders sent to the organization may still be entered into ScripZone, just like our software, but from any computer, at your organization or from the convenience of home. All the historical data and reports in one safe location!

THREE WAYS FOR MEMBERS TO PAY:

Credit Cards—Participants no longer have the excuse that they would buy if they could put it on their card! Now they can help and get their points. When opting to use a credit card for payment, the discount listed reflects a drop in percentage from the discounts listed for payment directly to the school. This is necessary because UnitedScrip passes the entire discount through to the groups or nonprofits except 1%, which will not cover the cost of processing the credit card or paying the fees they charge Retailers to allow payment with a card. In other words there are no fees to the school, but the profit is less per item ordered, and some cards are not available if their original discount is less than 3%. **You know that you have members who won't buy otherwise so give them a way to help.**

Bank Draft—Participants will be able to enter their banking information and have the money taken directly from their account. (A *\$0 .50 transaction fee is added to each order paid by parents using ScripPayment Gateway.*)

Check—Participants write a check to your organization for the face value of the cards. Your organization is then debited via ACH for the discounted amount to UnitedScrip. (No transaction fees apply)

Participants who pay for their order with a credit card may pay to have their order shipped directly to them! *Now relatives can easily support their family from other states, or just across town!* The transactions must clear before the order will be shipped. Orders may also be compiled with regular orders and shipped directly to school without additional cost.

ScripZone makes reporting easier for the Coordinator.

Scripzone enables you to track your profit by member, team or campaign. You can also track profit sharing and disbursements to individual accounts. Maintain records for local inventory sales and much, much more!

GROUP TERMS AND AGREEMENT FOR ONLINE PAYMENT BY INDIVIDUAL MEMBERS ON SCRIPZONE.COM

The Automated Clearing House (ACH) network is a highly reliable and efficient, electronic funds transfer system. NACHA-The Electronic Payments Association develops the rules and standards which provide for the interbank clearing of electronic payments for participating depository financial institutions. Both the Federal Reserve and Electronic Payments Network act as ACH operators, or central clearing facilities through which financial institutions transmit or receive ACH entries.

ScripPayment Gateway is a service provided in conjunction with the Federal Reserve Bank, and UnitedScrip for your organization, providing a means for payment of orders placed on ScripZone by your Members and Supporters. UnitedScrip receives these payments on your behalf and applies the face value of each order toward the total complied order or orders. In order to provide this service to members, your organization must also be enrolled for ACH Direct Payment.

Individual Members or Supporters must establish ScripPayment Accounts thru www.scripzone.com. Individual banking accounts will be verified through a two-step process to confirm the account validity (a 2 -4 day process), and once confirmation is complete, individuals will have the option of direct payment for each order. This option must be approved and enabled by your organization for members to have access to the enrollment process or the "My ScripPayment Center" link on their Homepage of ScripZone.com (*Groups not utilizing the ScripPayment Gateway will not be able to view the ScripPayment Center on the www.scripzone.com website.*)

The following process occurs when you choose to allow payment with ScripZone's Individual ScripPayment Gateway.

- Members login to the secure (GeoTrust Certified) www.scripzone.com site.
- Members choose to pay utilizing ScripPayment Gateway.
- Member's checking accounts will be debited via the Automated Clearing House for the face value of order plus a \$0.50 convenience fee to cover processing charges.
- Member orders are held in the queue until Group Administrator compiles or releases the entire order to UnitedScrip for processing.
- Member's orders are then shipped together to the Organization.

Please be aware that should Member payments be declined, rejected or returned for any reason, UnitedScrip will:

1. Cancel the order if order has not been released for shipment.
2. If order has been shipped, Group Administrator will be notified to hold individual order for payment.
3. The Group/Non-Profit will be charged the amount of order in full, plus a banking fee of \$20.00 minimum. (Fees may vary by individual banks) Organizations or Groups must collect payment from individual in full plus any banking fees.
4. Group or Organization may request that ACH option removed as option for individual.
